

Cheerleading Squad of 2011-2012

These are the cheerleaders that will be spreading school spirit at our basketball games this season of 2011!

Senior---*Karan Sieverding*

Junior---*Nicole Devens, Olivia Jackson, and Samantha Sieverding*

Sophomores---*Clarice Kies*

All attended camp the beginning of August to learn new cheers and begin learning how to do stunts. The Homecoming routine was learned at camp as well. Practices have been going smoothly. Now with the season started, practices are devoted to stunting and getting the routine polished.

The squad is awarding Spirit Sticks this year to two people with the most spirit at each Varsity game. One parent and one student each game will be selected. The criteria is cheering with the cheerleaders and showing outstanding support for the teams.
