This season, the performing team is made up of all new members. Mrs. Medinger said, " I am very excited about the upcoming season! The girls worked very hard at the camp we had (to learn a few new routines) over the summer. They have a lot of potential and I know it is going to be another great year!"

Over the summer, the team learned their 1st routine which was performed at the 4th of July celebration in Bellevue. They performed a pom routine to the song, Firework, by Katy Perry. We'd like to send a special thanks from Mrs. Medinger and the team to the parents that helped with providing supplies and their help in building a 4th of July float, which the team rode on in the parade. The team really enjoyed creating the float together.

Things to look forward to for this season - The team is planning on performing routines in pom, kick, and hip hop. They will also be hosting a kid's clinic – date TBA. Marquette Catholic will also be the location of the Cha-Cha with the Chamber on November 12th.
